ALLEGED VIOLATIONS

The probation officer believes that the defendant has violated the following condition(s) of supervision:

Violation No. Nature of Noncompliance

1. **The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any narcotic or other controlled substance, or any paraphernalia related to such substances, except as prescribed by a physician.**

On February 13, 2014, the defendant submitted a urine sample which tested positive for marijuana. He admitted to using the substance on his birthday, January 16, 2014.

Compliance with Supervision Conditions and Prior Interventions:

Mr. Samuel Adam Taylor began his term of supervised release on May 13, 2011, and is currently scheduled to complete his term on May 12, 2015. He is currently employed by Ragghianti Contractors.

On February 13, 2014, the defendant submitted a urine sample which tested positive for marijuana, as reported above. He will be referred to the Guidance Center for a substance abuse assessment and any recommended treatment. Mr. Taylor will also be placed on the Probation Office's random drug testing program.

Mr. Taylor has not made a payment toward restitution since 2012; however, the Clerk's Office indicates that the victim, U.S. Auto, Inc. is unlocatable. Research by the Probation Office indicates the business is defunct, and the registered agent is unlocatable.

Update of Offender Characteristics:

There is no additional information relevant to this section that has not already been provided in this petition.

U.S. Probation Officer Recommendation:

It is recommended that the defendant be continued on supervision with no further action taken at this time, to allow him to take advantage of any needed substance abuse treatment. This matter has been reported to a representative of the U.S. Attorney's Office, who concurs with the recommendation.
